► **Smells Organic**
by ZenPawz

ZenPawz is committed to creating aromatherapy products that use environmentally friendly and natural materials to help bring the benefits of aromatherapy to pets. Beds are handmade containing kapok on which a layer of organic buckwheat hulls are placed. Also, try clipping a ZenCharmz to the collar. www.zenpawz.com

▲ **Beam Me Down**
by Precision Pets

Unlike ordinary beds with fillers that can clump and break down, the patented SnooZzy OrthoAir pet bed uses a series of inflatable I-beam chambers to provide even support across the entire surface of the bed, offering continuous support with no discomfort. www.precisionpets.com

▲ **Bed Shredder?** by Gertie Gear

Gertie Gear pet airbeds are orthopedic, washable and sustainable with claw/nail-proof canvas and choice of snazzy slipcovers. www.gertiegear.com
